1. I am an adult resident of the 22 State Senate District and I am a qualified elector, i.e., either registered to vote or eligible to register and vote.

2. On \_\_\_\_\_ at Southport Shopping center near DollarTree I spoke with an individual who was soliciting passersby to sign a document.

4. I was taking a walk and a man approached me and asked me to sign a petition for a recall. He did not tell me that this was for Senator Wirth. I believed that this was a recall for Republican senators. He did not explain any further. I had no intention of signing any petition to recall Senator Wirth but felt I was fooled into signing this petition.  
Man - tall, thin, hair dreadlocks

5. Had I not been misled about the purpose or effect of the petition, I would not have signed it. I do not and have not supported efforts to have a recall election held for Senator Wirth's seat.
